Atogaki

Thank you very much for  
purchasing the book!

Thank you,  
thank you!

Well, it  
came back  
and that  
would be  
the death.

This is  
my first  
comic from  
Daria-sama.

The  
Kobanama  
Kyon.

To readers,  
I'm waiting  
for the first  
time and even  
those that  
aren't, good  
day!

**I absolutely  
adore dads  
with kids!**

Also,  
this Buddy  
manga series  
features my  
favorite  
book.

Why?  
I really love  
drawing  
kids!

So how deep  
is my love  
for them?

Someone  
it ended up  
being a com-  
plete series.  
It was really  
enjoyable!

At first,  
Buddy  
started off  
as a short  
story.

So if you're the type who likes single fathers too,

or you've started taking them thanks to this comic, you're really happy.

Thank you so much for jumping into this world and

So far, the amount of publishers of comics I've drawn with the theme of dads with kids,

it's three out of six!

That's the end of the financial

I don't know why in the end he didn't end up being the love rival but an extremely kind teacher instead.

So what?

So could the birth of Dangan series.

He needs a rival.

Anyway, in the middle of drawing this Daddy Series, I thought

But in this world, I guess their relationship did "turn out slightly better" because he just became the mark teacher figure "now" isn't it?

Well (probably) because a good man in the world.

Then,

Don should have considered that!

For some reason, Don didn't take in the Dangan series very well.

Such a pity...

I'm a harbinger

Speaking of Dangan Series,

he calls himself a harbinger.

Probably  
something for  
the future but  
I do hope I get  
to draw their  
story, too.

If anybody gets  
"oh, they're from  
that book?" when  
reading that, it'll  
bring me so much  
joy!

Even though  
I couldn't reply  
in, let's see, I wish  
to let you know  
that reading  
them gives me  
strength.

And to the  
readers who had  
been reading in  
questionnaires  
and your thoughts,  
I thank you from  
the bottom of my  
heart.

Finally,  
thank you so  
much for reading  
my until the  
end!
